

Dave's Golf Improvement

1 Practice Drills

- Getting the correct 'feelings'
- No Ball required
- Constant Review
- 'Ingrains' the correct 'feelings'
- Working on the BASICS

2 Tuition

- Getting the correct information
- PGA Pro Lessons
- Alan - When available
- Read books / TV / Videos Magazines

3 Golf Range

- Many shots - many chances!
- Only You in the bay
- General target area
- Always another ball!
- Get into a rhythm
- Quality NOT Quantity!
- Experiment with no 'pressure'
- Few holes on your own
- Mix practice with play
- Play a couple of shots

4 Golf Course

- One shot - one chance
- Other Players
- Lots to think about
- One shot only!
- Different lies
- Weather elements
- Rules of Golf & Etiquette
- Forget SCORE!
- "TRYING"

Hitting the Ball v Playing the Game

- Practice at the Range
- Play on the Course
- Two different skills - both need work
- The Ultimate 'Mix'

Short Game

- 65% of the Game played from 100 yards in
- Pitching (High)
- Chipping (low & run)
- Bunker shots
- Trial & Error
- Both need Practice!

Putting

- At least 50% of your score
- Both need Practice!
- How Hard = Weight
- 'Roll' the ball
- Where to hit = Line
- Weight of putt affects Line
