

How to use Mind Maps with this topic

1. Just provide the main idea and ask the students to develop the topics based on their lessons and research.

2. The teacher provides the topic headings only and the students proceed as per 1.

The Czechoslovakian Crisis 1938

3. The teacher takes the topic headings and opens each topic in turn to reveal the information.

4. The Mind Maps are used as revision aids and can be set out with all the topics revealed or hidden - a choice left to the student for personal revision or to teach the whole class.
